

Online Training Now Available to ASBSD Members

ASBSD wants to make it convenient for your staff to receive the safety training they need and easy for your administration to track compliance. That's why they've partnered with Scenario Learning to provide their award-winning SafeSchools Online Staff Training System to all ASBSD Members!

- Easily administer important safety training, including your district-specific content and policies to all staff online.
- Access hundreds of 100% school-focused courses by expert authors. Titles include *Bloodborne Pathogens; Bullying Prevention; Classroom Safety; Health Emergencies; Sexual Harassment and many more.*
- Training is automatically tracked and documented.
- Automated email notification of assignments and reminders are sent directly to each employee.
- Staff training has never been easier or more convenient!

Ready to Get Started?

First, decide who your primary training administrator will be. Then contact our Customer Service Team, who will walk you through the sign-up process. After we receive your Employee data, we can have your system set up in a matter of hours.
