“Welcome Precinct Workers!”

A message from the Secretary of State Steve Barnett:

“Let me first offer my thanks to you for being a precinct worker. Without you it would be impossible to conduct free and fair elections in our state. Your responsibility is great.”
ELECTION WORKER TRAINING

Prior to each election, training is to be conducted by the person in charge of the election (*County Auditor; Municipal Finance Officer, School Business Manager*) and assisted by the jurisdiction’s attorney.

Make sure to reach out to your attorney regarding this training.

SDCL 12-15-7 and 12-1-2.

There is a [2019 Election Day Precinct Manual](#) which is a good resource for you to review with your election workers and have a copy available at each of your polling places. Included in this manual is a check list of items that will be needed on election day.
ELECTION WORKER CONDUCT

Be professional - You are conducting the most essential element of our democracy. Work and act accordingly.

Be on time - Arrive at the polling place at the time required.

Leave “partisan” leanings at the door - All of us have our favorite candidate or position on a ballot question. That’s OK. When you are an election official, however, none of your personal preferences should show while you are working.
ELECTION WORKER CONDUCT cont’d

Be fair and respectful to ALL - Nothing shakes a voter’s confidence in the integrity of the election more than when a precinct worker treats them or their ballot unfairly.

WORK AS A TEAM!
Your work will be more enjoyable and the voters will be better served if you work as a team.
**Poll Hours**

- All elections: 7:00 am to 7:00 pm local time
- Be sure the polling place clock is set to the correct time!
- Voters waiting in line at 7:00 pm are allowed to vote.
- Election workers may not leave polling place while polls are open. Please plan accordingly.
Poll Hours cont’d

- Notwithstanding SDCL 12-2-3, the county auditor, city finance officer or school business manager may, upon request of the superintendent of an election precinct, if an emergency exists by reason of mechanical failure of a voting machine or an unanticipated shortage of ballots or like unforeseen event warrants it, extend the polling hours for that precinct until the emergency situation has been resolved. If the emergency situation is not resolved within two hours, except for a primary or general election, the polling place shall remain closed for one week and reopen at the time of the closure of the polling place (SDCL 12-2-4).
**Poll Hours cont’d**

- No earlier than twenty-four hours before the polls open, the person in charge of the election may call a special emergency meeting, pursuant to SDCL 1-25-1 and 1-25-1.1, of the local governing board to postpone any election, except a primary or general election, for one week if the **weather conditions** put into question the opening of a polling place. The polling place shall then remain open for the same number of hours as it would normally have been open. Absentee voting shall continue pursuant to chapter 12-19. (SDCL 12-2-8)

- **Please NOTE**: if the polling hours have been extended, anyone in line after 7:00 pm (local time) until the polls would close, have to vote a provisional ballot. If anyone is in line after the extended polling times close they are not allowed to vote.
POLLING PLACE

SUPERINTENDENT RESPONSIBILITIES

- In charge of the polling place
- Set up ballot marking device (ExpressVote) for primary and general elections only, put out flag, vote here sign, Photo ID notices on each entrance into the polling place, voting booths, appropriate instruction to voters posters and instruction to voters in each voting booth, sample ballots and ballot boxes
- Designates election board duties to each election worker
  - Duties would include:
    - Registration list
    - Poll book
    - Stamping ballots
    - Handing out ballots
    - Observing returned ballots for a ballot stamp before they are placed in the ballot box
If you are using an ExpressVote voter assist terminal, refer to later slides for setup instructions.
**Precinct Deputies Responsibilities**

- Perform duties assigned by the superintendent
- Duties may rotate throughout election day if directed by the precinct superintendent
- Precinct worker in charge of the pollbook must be of a different political party than worker in charge of registration list
  - This does not pertain to city and school elections unless they are combined with the County and then the County Auditor would follow this rule.
NO CAMPAIGNING IN OR NEAR POLLING PLACE
(SDCL 12-18-3)
NO CAMPAIGNING IN OR NEAR POLLING PLACE cont’d

- Before the opening of the polls and throughout election day, the 100 foot area surrounding the entrance(s) to the polling place must be checked to be sure it is free of campaign materials.

- The importance of keeping the polling place free from advertising **cannot be stressed enough**.

- The polling place includes where absentee voting takes place.

- No campaign advertising, signs, buttons, articles of clothing or any other type of campaigning may be in the polling place or within 100 feet of any entrance leading into the polling place.
**No Campaigning in or Near Polling Place cont’d**

- A candidate who is on the ballot in your precinct may only be present long enough to cast their vote.

- If anyone persists with campaign activities within the prohibited area, law enforcement should be called to deal with the situation.

- **Periodically view each polling booth** (when empty) to make sure that no campaign materials are left there.

- **If any campaign materials are found they should be removed.** If some person is campaigning or wearing campaign advertising they must be stopped or asked to exit the area.
Poll Watchers

- Poll watchers work for a candidate or campaign to monitor activity at the polling place.
- Election board workers may not be poll watchers.
- Poll watchers must be allowed to be positioned close enough to the election worker’s table so that they can see and hear what is going on but not so that they interfere in any way.
- Poll watchers may not use the designated polling place phone. This is for the election board only.
- Poll watchers may not take a video or picture of the poll book.
Poll Watchers cont’d

- Poll watchers may converse with the election board and look at the pollbook (they cannot touch the pollbook) if it doesn’t interfere with the voting process.

- Poll watchers may not campaign in any way within the polling place.

- Poll watchers may not touch any election supplies or control the legal actions of the election board!

- Provide each poll watcher with a copy of the *South Dakota Poll Watcher and Observer Guidelines* as shown on the next screen.
OFFICE OF THE SECRETARY OF STATE
STEVEN J. BARNETT, SECRETARY OF STATE

SOUTH DAKOTA POLL WATCHER AND OBSERVER GUIDELINES

South Dakota law allows poll watchers and observers to be present to observe the voting and counting activity at polling places and provides guidelines for poll watchers and observers. (SDCL 12-18-8.1, 8.9.1)

Any person at a polling place, to observe, who does not declare themselves to represent one of the categories below is not a poll watcher but is an observer. §RS 05 02:12 establishes the number of poll watchers allowed at each polling place for the following elections:

- **Primary** - One for each candidate, one for each slate of national convention delegates, one for each side of any ballot issue
- **General** - One for each party, one for each independent candidate, one for each slate of presidential electors, one for each side of any ballot issue

*additional poll watchers are allowed if "adequate space" permits*

No person may view or publicize the contents of a voter’s voted ballot (SDCL 12-18-27).

Those NOT allowed as Poll Watchers:

- Election Board Workers
- Candidates on the ballot (cannot be an Observer either)

Poll watchers must be positioned in a location where they can plainly see and hear what is done within the polling place but may not interfere in any way (SDCL 12-18-9). Poll watchers and observers may converse with the election board and look at the pollbook only if it doesn’t interfere with the voting process.

Within 100 feet of a polling place (includes absentee voting polling places), poll watchers and observers **MAY NOT** do any of the following (SDCL 12-18-3, 12-18-9.1, 12-26-21, 12-26-22):

- Campaign or wear buttons or clothing containing campaign information
- Solicit votes for or against any person, political party or ballot question
- Maintain an “office or public-address system”
- Interfere with a voter’s free access to the polling place
- Interfere with the official actions of the election board
- Disrupt the administration of the polling place
- Use any communication or photographic device in any manner which repeatedly distracts, interrupts or intimidates any voter or election worker
- Use any communication, photographic or video device to take video or pictures of the pollbook
- Look into voting booths, read identifying numbers on photo identification cards or interfere with voters in the act of voting or with the official action of the election board
- Disobey a lawful command by any election worker
- Cause a disturbance or breach of peace
- Engage in disorderly conduct such as threatening behavior or making unreasonable noise
- Gather petition signatures
- Use the polling place telephone designated for the election board
- Take any unilateral steps to change any action, inaction or activity occurring at the polling place
- Advocate for or against a voter as the voter interacts with the election board

If a poll watcher or observer has a concern or question about any action occurring in the polling place, that person should bring this concern to the attention of the precinct superintendent. It is then the superintendent’s responsibility to respond to that question or concern.

1. Make sure to set up the ExpressVote in an area in the polling place where other voters cannot see the screen when a voter is using the ExpressVote

2. The ExpressVote must be set up on a table that is ADA compliant (the table that was used with the AutoMARKs will work for the ExpressVotes)

3. Plug in the ExpressVote
Before the polls open cont’d:

4. On the ExpressVote Recording Sheet write down the number on the seal covering the media device compartment located on the left side of the ExpressVote. You will break that seal when you open it.

5. Once the compartment is open, flip the power button to on, pull out the cord to the handheld key pad and fit that through the cut out circle on the top of the compartment door.

6. Close the compartment door and put a new seal over it. Write down the new seal number on the ExpressVote Recording Sheet.

2. Mark at least two “TEST BALLOTS” using the ExpressVote by selecting various candidates and ballot questions using the touchscreen, keypad and headphones.

3. When two “TEST BALLOTS” print properly, the ExpressVote is ready for use by voters. Store the “TEST BALLOTS” with other materials that you will deliver back to the person in charge of the election. **DO NOT** place the “TEST BALLOTS” in the ballot box.

4. If the ExpressVote does not properly mark the ballots, contact the county auditor to resolve the problem.

5. Still open the polling place at 7:00 am but do not allow anyone to vote using the ExpressVote.

6. You must successfully mark two “TEST BALLOTS” before allowing voters to use the ExpressVote™.

After the polls close, an election worker must conduct the following procedures to turn off the ExpressVote:

1. Remove the privacy shield.
2. On the ExpressVote Recording Sheet write down the number on the seal covering the media device compartment located on the left side of the ExpressVote. You will break this seal when you open it to turn it off.

VOTER IDENTIFICATION AT THE POLLS

Voter presents themselves to the precinct worker in charge of the registration list. The voter must announce their name and show a valid photo identification. Valid identification is:

- A South Dakota driver’s license or non-driver identification card;
  - If the license is expired that is still an acceptable form of ID
  - When registering to vote, an expired license is not acceptable

- A passport or an identification card, including a picture, issued by an agency of the United States government;

- A tribal identification card, including a picture; or

- A current student identification card, including a picture, issued by a high school or an accredited institution of higher education, including a university, college, or technical school, located within the State of South Dakota.
VOTER IDENTIFICATION AT THE POLLS cont’d

- A member of the election board must verify that the PICTURE on the ID matches the voter. The name on the ID must also match the name on the voter registration list.

- **There is no need to look at the address on the ID.**

- If the election board worker cannot make this verification, the worker may consider:
  - Other forms of identification;
  - Personal knowledge; and
  - The voter’s explanation.

- If the voter’s identity can’t be proven to the satisfaction of the election board, the voter may vote a **provisional ballot.**
As an Election Worker you are not authorized to change the voter registration list. Even if you think or know someone has moved or passed away you cannot alter the registration list. Your primary concern is whether the voter is on the list or not. Also, nothing in state law allows an Election Worker to ask a voter to verify their address.
If the voter is on the registration list and does NOT have in their possession a **valid identification**, the voter may **retrieve an ID** or complete a **Personal Identification Affidavit** (ARSD 05:02:05:25). Every voter without a valid ID in their possession must be given this option!
Casting a Ballot

- Provide the voter with the correct ballot. The ballot **must have** an official ballot stamp (shown below).

- ARSD 05:02:05:00 lists the contents required for the official ballot stamp.

  OFFICIAL BALLOT  
  (NAME OF COUNTY, SCHOOL DISTRICT, MUNICIPALITY,  
  OR OTHER POLITICAL SUBDIVISION)  
  (Precinct name or number or both)  
  SOUTH DAKOTA

- For hand counted paper ballots, place the ballot stamp on the back near the top of the ballot before giving to the voter.

- For optical scan ballots, place the stamp where indicated by the person in charge of the election.

- If there is more than one type of ballot at your polling place, **be sure the voter gets the correct ballot!**
OTHER ELECTION DAY ITEMS

- It is critical that you place the *official stamp* on the ballot *before* giving the ballot to the voter.
- Voters must vote alone in the voting booth.
- If the voter needs assistance they may have someone help them in voting their ballot.
- Voters have ten minutes to cast their ballot (SDCL 12-18-15).
- If a voter makes a mistake on their ballot (spoiled ballot), they can return it to the election board and receive a new ballot. A voter may have up to three ballots. A record is made of the spoiled ballot as shown in a couple slides.
We do hereby certify that the election held on Tuesday, the ______ day of ________, 20___, official ballots were spoiled, returned by voters and cancelled as follows:

Precinct Superintendent

Precinct Deputy

Precinct Deputy

Precinct Deputy
In optical scan precincts a voter may request instructions before entering the voting booth on how to mark their ballot so that it will be properly counted. You should provide that instruction publicly and without suggesting who to vote for.

No person may publicize an official ballot after it is marked to any person in such a way as to reveal the contents of the official ballot, or the name of any candidate for whom the person has marked a vote. (SDCL 12-18-27).

Ex: A voter cannot take a picture to show to family and friends or post on the internet after the ballot has been marked.
OTHER ELECTION DAY ITEMS cont’d

- The voter returns the voted ballot to the precinct worker in charge of the ballot box. The voter must show the precinct worker the official ballot stamp on the back of the ballot. The voter may then place the ballot in the box or give it to the precinct worker to place in the box.
Understanding the voter registration list:

1. Voter is listed as “inactive”
   - “Inactive” may be indicated on the list by an “I or Inactive or Complete new VR form” next to the voter’s name. See the example on the next page.
   - If the voter is inactive they must complete a new voter registration form, before they will be given a ballot.
   - After the voter completes the voter registration form, if the registration form shows a residence address within South Dakota, the voter is allowed to vote.
   - If the registration form shows a residence address outside of South Dakota, the voter is NOT allowed to vote.
2. Absentee Ballot sent date is next to the voter’s name
   - This indicates that the voter has been sent an absentee ballot.
   - If the voter just has the absentee ballot sent date listed, the voter is allowed to vote at the polling location. They just need to understand to not return their voted absentee ballot to the person in charge of the election. Voting twice is a crime.
   - The ballot sent date would not appear on a registration list provided to a city or school unless the County is running their election.
   - If the voted date is on the registration list, the voter has returned their absentee ballot and cannot vote again. If the voter insists they have not voted, call the person in charge of the election. Ask if a provisional ballot should be given to the voter. Follow the instructions the person in charge of the election gives you. Voting twice in an election is a crime.

3. Voter’s name is not on the registration list
   • Ask the voter if they are registered to vote in this precinct. If
     the answer is “no”, they are not allowed to vote a regular
     ballot.
     • Contact the person in charge of the election
       • The person in charge of the election may advise to allow the voter
         to vote a provisional ballot. This voter may only vote a provisional
         ballot if they are willing to sign the affirmation on the provisional
         ballot envelope (SDCL 12-18-40).
       • Give the voter a new voter registration form so that they will be
         able to vote in the next election.
Who may vote a provisional ballot?

• A person who:
  • Is not on the registration list; and
  • Claims to be registered in that precinct; and
  • Is not eligible to vote a regular ballot by using an emergency voting card.

• A person who is successfully challenged as described in the next few slides “Challenging a Voter”.

• A person whose identity can’t be proven as described in an earlier slide “Voter Identification at the Polls”.
Understanding the registration list cont’d:

- Ask the voter if they are registered to vote in this precinct. If the answer is “yes”, contact the county auditor to verify if the voter’s name was mistakenly left off the registration list. The auditor will provide one of three responses:

  1. There is no record of that person registering in that precinct. The voter will not be allowed to vote a regular ballot but must be given the opportunity to vote a **provisional** ballot. Have the voter fill out a registration form so that they will be able to vote a regular ballot in the **next** election.

  2. The voter is registered in another precinct in this county. Explain to the voter which precinct they are registered in and where the polling place is located. The voter has the option to go to that polling place and cast a regular ballot which will be counted **OR** if the voter is certain they are registered to vote in this precinct the voter may cast a provisional ballot. The provisional ballot may not be counted if the person in charge of the election cannot find a voter registration card indicating the voter is registered in this precinct (SDCL 12-18-39).

  3. We made a mistake in preparing the registration list. The voter will be allowed to vote a **regular** ballot. Before voting, the voter and precinct workers **must** complete and sign the *Emergency Voting Card* (ARSD 5:02:05:20).
EMERGENCY VOTING CARD

Who may use an emergency voting card?

• A person who:
  • Is not on the registration list; and
  • The auditor states there was a mistake and that voter should have been listed on the voter registration list.

• These voters vote a regular ballot after the voter and the precinct official fill out the emergency voting card.

CHALLENGING A VOTER

- A person’s right to vote may be challenged for the following reasons (SDCL 12-18-10):
  - The person’s identity is not that of the registered voter;
  - The person has been convicted of a felony or declared mentally incompetent since the registration list was prepared; or
  - In school and municipal elections, the person is not a resident of the school district or municipality (SDCL 9-13-4.1 and 13-7-4.2). Resident is defined as:
    - Live within the school district or municipality at least 30 days within the past year; or
    - Full-time postsecondary student who resided in the school district or municipality immediately prior to leaving for school; or
    - An active duty member of the armed forces whose home of record is within the school district or municipality.
CHALLENGING A VOTER cont’d

- **Prior** to the voter receiving their ballot, the challenger will present evidence to the precinct election board. The voter would be allowed to offer evidence supporting their right to vote.

- Based on the evidence presented and any personal knowledge, the precinct election board will impartially determine if the person is eligible to vote.

- The election board must indicate in the pollbook next to that voter’s name if the challenge was successful or not.

- If the challenge is **SUCCESSFUL** the voter is given a **provisional** ballot.

- If the challenge is **UNSUCCESSFUL** the voter may vote a **regular ballot**.
PROCEDURE FOR VOTING A PROVISIONAL BALLOT IS:

- If the challenge is successful the voter must complete the affirmation on the blue provisional ballot envelope and vote a provisional ballot.
IF THE CHALLENGE IS SUCCESSFUL THE VOTER IS GIVEN A PROVISIONAL BALLOT:

✓ Write voter’s name in pollbook and designate as a provisional voter.
✓ Provide the voter the correct ballot and stamp with official ballot stamp.
✓ Voter votes the ballot and seals it in the provisional ballot envelope.
✓ Envelope is placed in the ballot box. Watch carefully that the voter doesn’t try to just stick the ballot in the box. If the voter puts the ballot in the ballot box without placing it in the envelope there is nothing that can be done.
✓ Give the voter a “Notice to Provisional Voter” sheet with the following language:

**Provisional Ballot**

You will be sent a notice within 13 days whether your ballot was counted or not counted. If the ballot was not counted, you will be told of the reason. ARSD 05:02:05:23
IF THE CHALLENGE IS UNSUCCESSFUL
THE VOTER MAY CAST A
REGULAR BALLOT:

- **Mark** the voter’s name on the registration list in the manner you have been instructed.
- **Announce** the voters name *(and party if in a primary).*
- **Write** the voter’s name in the pollbook.
- If all of the voters in your precinct do not receive the same ballot, **mark** in the pollbook **which ballot** the voter is given.
- The pollbook cover and pages for the listing of voter names are shown on the following pages.

RETURN OF SPOILED AND UNUSED BALLOTS

5:02:16:34. Return of unvoted ballots. All spoiled and unused ballots shall be returned to the person in charge of the election in plain wrappers or envelopes with the words "spoiled ballots" or "unused ballots" added to each wrapper or envelope. Each wrapper or envelope shall be sealed by a ballot seal containing the following information:

BALLOT WRAPPER OR ENVELOPE SEAL

PRECINCT

NUMBER OF BALLOTS _____

DO NOT PLACE THESE SPOILED AND UNUSED BALLOTS IN THE BALLOT BOX
**Absentee Ballot Processing**

- Process absentee ballots whenever you have time during election day or immediately after the polls close.
- The person in charge of the election will provide you with all of the applications for absentee ballots and all of the returned absentee ballots sealed in their individual envelopes. No absentee ballot may be accepted after the close of the polls.
- A voter is not allowed to deliver their absentee ballot to the polling location. ONLY an authorized messenger is allowed to do so ONLY if there was no time to deliver the ballot to the person in charge of the election in time for that person to get it to the polling location.
ABSENTEE BALLOT PROCESSING cont’d

- Compare the signature on the ballot envelope with the signature on the application.

- In-person voted absentee ballots are in a combined application/envelope with only one signature from the voter.
  - You will have no signatures to compare for these absentee ballots since these were voted in person at the election official’s office. The voter’s ID should have been checked already, by the person in charge of the election, against the signature on the envelope.
If you are satisfied that:

- The ballot was voted by the voter whose name appears on the ballot envelope; and
- The voter is registered in your precinct (if the voter is registered as “inactive”, a completed voter registration card must accompany the absentee ballot); and
- The application and ballot envelope or the in-person combined application/envelope were signed by the voter; then…

- Mark the registration list and enter the name in the pollbook.
- Remove the ballot from the envelope without unfolding it.
- Place the official ballot stamp on the ballot.
- Place the ballot in the ballot box.

- If an absentee voter passes away before election day, the ballot is not processed.
- If you determine that an absentee ballot cannot be counted, the envelope should not be opened and the reason for not counting should be indicated on the envelope.
CLOSING THE POLLS IN OPTICAL SCAN BALLOT PRECINCTS

- If you use hand-counted paper ballots, these instructions are not for you. Skip this slide and the next 5 slides.

- The poll closing process must be open to the public. No one may be excluded from watching the closing process provided there is no interference with the process.

- Complete the recap sheet as shown on the next screen. This DOES NOT require opening the ballot box.
### Recapitulation Sheet

A recapitulation sheet containing the following information shall be filled out for each type of ballot style. The person in charge of the election can create this in a format that works for them as long as all the information listed below is included.

If Line 9 and Line 12 are not the same, compare the voters in the pollbook and the registration list and correct any mistakes.
**AFTER COMPLETING THE RECAP SHEET**

Compare the:

- Number of voters from the pollbook (line 9); and
- Number of ballots voted (line 12)
  - These numbers should be equal.
  - If these numbers are not equal, compare the pollbook names with the names marked on the voter registration list. Correct any errors.
  - If any corrections are made to the pollbook, the number of voters on line 12 should also be corrected.
- Seal the ballot box clasps with a metal or plastic seal. Seal any remaining slots with a paper seal.
TRANSPORTING THE BALLOT BOX – OPTICAL SCAN BALLOTS ONLY

✓ Transport the sealed ballot box, unvoted ballots, spoiled ballots and all other election supplies to the counting location by the most direct route.

✓ The ballot box MUST be transported by (SDCL 12-17B-9):
  ▪ Two members of the precinct board, one of each major political party (this only applies to primary and general elections); or
  ▪ A sheriff’s deputy and two deputy county auditors, one of each major political party; or
  ▪ Two deputy county auditors, one of each major political party.
CLOSING THE POLLS AND COUNTING THE VOTES IN HAND-COUNTED BALLOT PRECINCTS

Ballots have to be counted at the polling place.

- The vote counting process must be open to the public. No one may be excluded from watching the vote counting as long as there is no interference with the vote count process.
- Open the ballot box, remove the ballots and if there is more than one type of ballot, sort the ballots by type.
- Place any Provisional Ballot and Uncounted Absentee Ballot envelopes in the large Provisional and Uncounted Absentee Ballot Return Envelope (ARSD 05:02:16:44):

  PROVISIONAL AND UNCOUNTED ABSENTEE BALLOT RETURN ENVELOPE
  ___________________________PRECINCT
  TO: COUNTY AUDITOR
  ___________________________
  SOUTH DAKOTA
  DO NOT PUT THIS IN BALLOT BOX
- Place the ballot box seal in the envelope provided (ARSD 05:02:05:09).
COUNTING THE BALLOTS

- **Sort** ballots according to ballot type if you have more than one type.
- **Count** the number of ballots in each ballot type.
- **Check your ballot count** against the number of voters in the **pollbook** who voted that type of ballot.
  - If the numbers are the same, **proceed with vote counting**.
  - If there are **more ballots than voters** voting that type of ballot, place those ballots back in the box, mix them up and withdraw (unopened) the number of excess ballots (SDCL 12-20-3). These excess ballots are not counted and are marked as “Excess ballot not counted” (ARSD 05:02:16:09.01).
  - If the number of voters **exceeds the number of ballots, proceed with vote counting**.
COUNTING THE BALLOTS cont’d

- Examine each ballot for the official ballot stamp. **Remove any ballots without the stamp and mark “Unstamped Ballot”** (SDCL 12-20-6).
- At least two precinct deputies shall examine each ballot to determine how each vote is cast. If the election is a primary or general election the precinct deputies must be of opposite political parties (does not apply to city/school/special district elections). If there is a dispute, the precinct superintendent will break the dispute.
- A voting mark that is in or touches the circle or square shall be counted. A mark that does not touch the circle or square and is not on or in the circle or square, may not be counted.
- If a write-in vote is found on the ballot, that vote is not counted but all other votes on the ballot for which the voter’s intent can be determined shall be counted.
COUNTING THE BALLOTS cont’d

- Two tally sheets are used for vote tabulating. One is in the pollbook and the other is a separate sheet called the duplicate tally sheet. A sample is shown in a couple slides.
- The names of the candidates will be written in the proper place in the pollbook tally sheet and the duplicate tally sheet.
- Votes are recorded on the tally sheet in the pollbook by one precinct worker and on the duplicate tally sheet by another precinct worker.
COUNTING THE BALLOTS cont’d

- As each vote is determined, a hash mark will be placed next to the candidate’s name on both tally sheets.
- When all ballots have been processed, the hash marks are totaled and the result placed on the tally sheets.
- The precinct workers will sign the statement on the bottom of the tally sheets.
