**VI. Finance VI.A Financial Report** – Holly Nagel reported that June 30<sup>th</sup> marks the end of the 2021 fiscal year and the financial report is based on the financial performance of ASBSD at that time. We ended the fiscal year with revenue of \$2,587,943.11 which is 123.11% or \$485,786.17 over our revenue budget. This is a revenue increase of \$336,335.22 from FY 20.

FY 21 expenditures were \$1,738,927.93 which is 85.5% or \$293,932.07, less than expenditure budget. This is a decrease in spending of \$192,036.73 from FY20.

After all year-end entries are completed, the Association increased the overall Net Position on the balance sheet by \$337,848.

The Unassigned Net Position of the Association at the end of Fiscal Year 2021 is \$2,322,164 which is 114 percent of the FY 2021 expenditure budget of \$2,032,860. The Unassigned Net Position decreased by \$764,900 from \$3,087,064 at the end of FY 2020 to \$2,322,164 at the

end of FY 2021. The difference between revenue and expenditures will not directly tie out to Unassigned Net Position.

The Net Investment in Capital Assets increased in \$826,413.79. This is due to November purchase of the 3<sup>rd</sup> Floor Condominium from TDK&E. This completes full ownership of the building at 306 E. Capitol Avenue. The purchase was completed using cash funds from the money market account which caused the reduction in Unassigned Fund Balance. There was neither an increase in long-term liability nor a reduction in mutual fund investments. The TDK&E mortgage of \$218,651 was paid in full and the long-term asset of buildings was increased by the full value of \$1,120,464.

ASBSD continues to have a strong balance sheet and financial position. The Association has increased the potential revenue with the purchase of the third floor. Tieszen Law Office has completed a five-year lease agreement with option to renew twice for the 3<sup>rd</sup> floor east side.

Moved by Tanya Gray, second by Louann Krogman to accept the financial report as presented. Motion carried.
