CONVENTION BREAK-OUT SESSIONS

The 2014 ASBSD and SASD Convention features 41 issue-oriented breakout sessions devoted to the big issues facing K-12 public education.

STUDENT ACHIEVEMENT

TPBL: Empowering Teachers to Take Theories to Practice

THURSDAY, AUG. 7, 10:30 – 11:20 | ROOMS 8+9+10

PRESENTERS: PAST FOUNDATION CEO DR. ANNALIES CORBIN, SDIL PROGRAMS DIRECTOR DR. SHEL O. SMITH AND S.D. INNOVATION LAB STEM COORDINATOR MARI BIEHL

The theories behind Teacher Effectiveness and Student Learning Objectives represent our best intentions for our students, but it isn't easy to effectively and objectively put these theories into practice. Employing TPBL instructional and cultural strategies empowers teachers to create resonant and rigorous learning environments, which enables students, teachers and administrators to track growth and achievement.

Providing Opportunities for Post-Secondary and Career Readiness

THURSDAY, AUG. 7, 10:30 – 11:20 | ROOMS 11+12

PRESENTERS: DOE DIRECTOR OF CTE TIFFANY SANDERSON AND DOE DIRECTOR OF LEARNING & INSTRUCTION BECKY NELSON

What does it mean for students to be college and career ready? How can we help students be ready? The Department of Education has partnered with various entities to create low-cost opportunities for students to ensure they are prepared for the next steps after high school. In this session, you'll learn about available dual credit courses, advanced placement courses, remedial coursework and the NCRC.

Panel Discussion: South Dakota's Multi-tiered System of Supports

THURSDAY, AUG. 7, 10:30 – 11:20 | ROOMS 6+7

PRESENTERS: KNOLLWOOD ELEMENTARY PRINCIPAL DEB WAR, REDFIELD ELEMENTARY PRINCIPAL BRENDA STOVER, HUMBOLDT ELEMENTARY PRINCIPAL MATT ALLEY, KADOKA ELEMENTARY PRINCIPAL JEFF NEMECEK, DOE SPECIAL EDUCATION PROGRAMS REBECCA CAIN, DOE SPECIAL EDUCATION PROGRAMS ALICIA SCHOENHARD, LIA COHORT FACILITATOR DARRELL MUELLER AND SASD EXECUTIVE DIRECTOR ROB MONSON

Multi-tier system of supports involves the systematic use of data to efficiently allocate resources in order to improve learning for all students. To ensure efficient use of resources, schools begin with the identification of trends and patterns using school-wide data. Students who need interventions beyond what is provided universally for positive behavior or academic content areas are provided with targeted, supplemental interventions delivered at increasing levels of intensity. The panel discussion will explore these topics.

Lessons Learned from Teacher Effectiveness Pilot Schools

THURSDAY, AUG. 7, 11:30 – 12:20 | ROOMS 8+9+10

PRESENTERS: REPRESENTATIVES FROM TEACHER EFFECTIVENESS PILOT SCHOOLS

Schools across the state are working towards more meaningful evaluation of teachers, with a focus on continued professional growth and support. Learn from the experiences of pilot schools implementing evaluation systems that incorporate measures of professional practice and student growth in the form of SLO's. Discover how these schools are using the state standards for teaching, evidence-based feedback and in-depth dialogue between teachers and principals to improve teaching and learning.
