Circulating a School Board Candidate Nominating Petition in 2016

WARNING: State law requires that each petition sheet be self-contained. This means that the petition heading, instructions to signers, signature lines and circulator's verification must all be printed on each sheet prior to circulation. The sheet may be printed on front and back. You CANNOT tape, staple or glue the front and back sides together. You CANNOT include sheets with signature lines only. If you have any questions about how to correctly prepare a petition sheet, please contact the person in charge of that election.

The **declaration of candidacy** at the top of the petition form must be completed prior to circulation for signatures ([SDCL 13-7-6](#)). The declaration cannot be signed prior to the first date of circulation. The name will appear on the ballot in the exact form indicated in the declaration of candidacy ([SDCL 12-16-1](#)).

- For an April 12, 2016 election, petitions may not be circulated before January 29, 2016, and may be filed no later than February 26, 2016 at 5:00 p.m.
- For a June 7, 2016 election, petitions may not be circulated or filed before March 1, 2016 and may be filed no later than March 29, 2016 at 5:00 p.m.
- If the school election is combined with the municipal election on June 21, 2016, petition circulation begins on April 12, 2016 and the filing deadline is May 13, 2016.
- Petitions which are mailed by REGISTERED MAIL prior to 5:00 p.m. on the last day to file will be considered timely filed. Certified mail received after the deadline will NOT be considered timely filed.

Signatures of registered voters must be obtained between the date of the candidate's signed declaration of candidacy and the date of the circulator's verification. A candidate may not notarize their own petition, but they can circulate and sign the petition ([SDCL 12-6-8](#)).

- Must personally witness each signature on the petition being circulated.
