Veteran Board Members— Understand how standards for effective board performance often change and improve your own productivity by learning new expectations & best practices.

Superintendents— Learn how you and your board team can best work to increase student achievement and stay up-to-date on the latest standards for effective board performance.

School Board U

Bringing Board Training to You

ASBSD School Board U is an online training site for school board members that allows individuals to complete training at their own pace and from the comfort of their own home.

School Board Governance — reviews your role in public education and service

Strategic Planning — identifies the key elements in developing a strategic plan

New School Board Member Workshop — an introduction to being a board member

Ethical School Board Service — outlines and underscores ethical board service

Board President-Superintendent Relationship — covers aspects of the interaction between the board president and superintendent

ASBSD Collective Bargaining Seminar — covers how districts must apply the new funding formula and teacher contract negotiations

“Training with SBU was not only informative, but also convenient. You can complete a course at your own pace and whenever or wherever works best for you.”

Douglas School Board Member Bryan Bauer on training with ASBSD School Board U

The Yankton Model

During the 2014-15 school year the Yankton School Board used School Board U to get all 5 board members GAVEL certified, which gave all members a collective training & information background.

"We wanted to take the opportunity to make practical and effective use of our resources to educate ourselves and enhance our ability to make sound decisions that would focus on the best interests of our students." Yankton School Board Member Kathy Greeneway

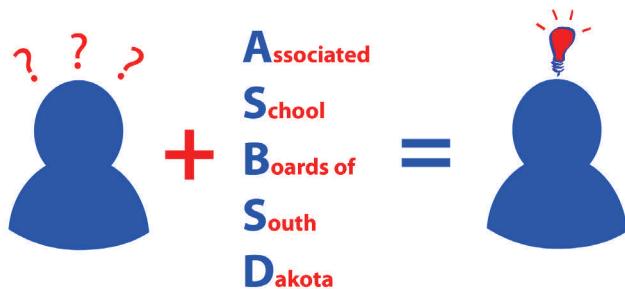

The Yankton School Board became the first board to combine both online and face-to-face trainings to become GAVEL certified and continues to utilize the training with new members.

"This information is available to all school board members. It's a great way to get an unbiased understanding of the role a school board member takes on when being part of the school board team." Yankton School Board Member Kathy Greeneway

Yankton Board Members taking SBU courses raved about the information & the process.

"Not only was it great information to process while taking the course, but I also feel it will be a valuable resource to continue to look back on when needed." Yankton School Board Member Frani Kieffer

ASBSD Board Recognition Program

The ASBSD Board Recognition Program is designed to recognize school boards for their dedicated and ethical service to the students of South Dakota. This program will recognize board members' participation in outside activities, board development and training, and demonstrated leadership at various areas and levels.

ALL — Act, Learn, Lead

ACT — Activities in this category demonstrate participation at various board functions

LEARN — Activities in this category center around board member training opportunities board members have attended and completed

LEAD — Activities in this category focus on leadership events or activities where board members take on a leadership role or participate in leadership training

How does the program work?

By participating in ASBSD activities, training opportunities and demonstrating leadership at the local, state and national level, board members accumulate points to achieve awards. For each level of award, Gold, Silver, and Bronze, point totals are counted in Act, Learn and Lead categories. In order to qualify for any board award, some points must be earned in all three.

- **Gold** — 500 cumulative point total
- **Silver** — 350 cumulative point total
- **Bronze** — 250 cumulative point total

ASBSD Board Development Services represent our commitment to the continued advancement of the K-12 system, which results in excellent and equitable education for all students.
