

ASBSD CONSTITUTION AND BYLAWS ARTICLE VI - DIRECTORS AND OFFICERS

Section 1. The government of the Corporation shall be in a Board of Directors consisting of at least sixteen members. All members shall be elected for terms of four years so as to constitute the Board of Directors as hereinbefore prescribed. Every director must be a duly elected board member of a member board of this Corporation. In the event a school board member ceases to serve on his/her local board their term as a member of the Board of Directors will be considered vacant when their term as a local school board member ends. Should a Board of Directors position become vacant for any reason, the President may appoint a school board member from an ASBSD member school to fill the vacancy. The President of the ASBSD Board of Directors will first attempt to appoint a school board member from a school district within the region and enrollment category for which the Board of Director position is vacant. Should the President be unable to appoint a school board member from a school district within the region and enrollment category for the position which is vacant, the President of the ASBSD Board of Directors may fill any vacancy on an at large basis with a school board member from any ASBSD member school district in South Dakota within the same region as the vacancy. No school district may have more than one school board member on the ASBSD Board of Directors. The appointment shall be for the duration of the vacant Director position's term for which the school board member was appointed.
