

Safe2Say Log In Instructions

Step 1 – Create your password and log into P3 Campus (See attached)

Step 2 – Logging into P3

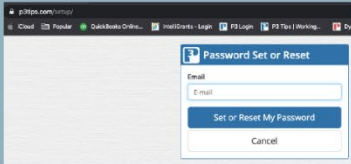

- Via your web browser, go to www.p3campus.com and click “Administrator Login”.
- Once at the login screen, bookmark this page for easy access for logging into P3 in the future.
- Enter your email address and password.

Step 3 – Adding additional school team members

- From the Tip manager dashboard, go to Settings>Manage>Recipients
- This video will provide step by step instructions on how to add school team members to the school(s) that you are a member of: <https://vimeo.com/750119534/ea5b1dc445>
- If you need additional assistance with adding your school’s team members, please email P3support@navigate360.com for further assistance.
