

ASBSD and SASD are bringing our memberships **FREE** a learning opportunity with Josh Cowen, an author and professor, who will discuss the harmful impact of school vouchers.

Join Josh and your fellow school leaders on Sunday, November 17 at 7:30 p.m. (Central) to learn more about and discuss vouchers – or a variety of other terms to describe them that are used interchangeably – and how it all boils down to the use of public funds for non-public students.

The presentation, *which will be recorded if you cannot attend live*, will provide a short history of educational privatization, how school vouchers defund public schools and devastate student learning, and how billionaires have turned to culture wars to sell voucher schemes moving forward.

Cowen will also discuss the voucher movement, impacts on all school districts, and share valuable information that will be beneficial for you to know.

In addition, Josh has authored: [The Privateers: How Billionaires Created a Culture War and Sold School Vouchers](#) which is now available.
