

ASBSD has amended our sample policy on background checks and created a new sample policy for background checks on volunteers and employees of contractors to align with guidance provided by the South Dakota DCI.

GCDB: Criminal Background Checks – amended to meet the interpretation by DCI that language in the policy on volunteers and employees of contractors, by state law, is not applicable to state statute.

GCDBC: Criminal Background Checks – Volunteers and Employees of Contractors – policy establishes a process for completing background checks for volunteers and employees of contractors for school districts.

Each sample policy can be found at <http://policy.asbsd.org>. Your district's login and password information has been previously provided to your district's administration. ASBSD suggests you discuss the sample policies with your district's attorney.
