

Stand with Public Education at the Capitol in February!

Join fellow South Dakota public school supporters on Monday, February 9, at the Capitol Building in Pierre for the Stand with Public Education Event! All supporters of our public schools wishing to attend are welcome to this *free event* and registration is not required to attend.

You are invited to the Stand with Public Education Event where breakfast will be served to Senators & Representatives in the President and Speaker lobbies the Capitol Building from 7-10:30 a.m. The event has been organized by the Langford School District.

Students are invited to attend and, in addition to serving breakfast, the day will provide attendees the opportunity to spend time and speak with their legislators, attend committee meetings and the House & Senate sessions and be part of a large group photo in the Capitol.

If you have question about the event or would like to volunteer to help at it, contact Langford Area School Board President Jenn Gustafson at joejenngus@gmail.com or at 605-290-1163.
